6th MURCIA 2027

International Conference on
**FOOD BIOACTIVES
& HEALTH**

Dear colleagues and friends,

It is our great pleasure to invite you to participate in the 6th International Conference on Food Bioactives and Health (FBHC) that will be held in June 1- 4, 2027 in the lovely city of Murcia (Spain). After the great success of the previous editions, held in Norwich in 2016, Lisbon in 2018, Parma in 2022, Prague in 2023 and Marseille in 2025 we are excited and delighted to bring together leading scientist working in the field of food bioactives and health.

The FBHC is a premier global event that brings together leading scientists, industry innovators, and health professionals to explore the latest discoveries and applications of bioactive compounds in food and their impact on human health. This prestigious conference serves as a dynamic platform for knowledge exchange and collaboration among academia, research institutions, and industry. Participants will engage in in-depth discussions on functional foods, nutraceuticals, personalized nutrition, and sustainable health solutions, all shaping the future of food and wellness innovation.

For sponsors, the FBHC2027 offers exceptional opportunities to gain global visibility and connect with influential voices in the field:

- Brand exposure to an international audience of scientists, industry leaders, and media.
- Networking access to potential partners, clients, and collaborators across the food and health sectors.
- Showcase opportunities to present your latest products, technologies, and innovations aligned with health-promoting foods and bioactives.
- Recognition as a key supporter of scientific progress and sustainable health innovation.

Join us to learn about the latest advancements in Food Bioactives!

On behalf of the FBHC2027 Organizing Committee

WHERE

Murcia, Spain

With nearly 3,000 years of history, Murcia is a city where tradition and modern life intertwine in surprising ways. Discovering Murcia means exploring a living storybook—one filled with traces of ancient civilizations, architectural treasures, and a rich cultural heritage shaped by its Mediterranean spirit.

As a vibrant destination that welcomes visitors year-round, the capital of the Region of Murcia offers countless surprises to those who come to discover it: from the majestic Cathedral to its lively squares, gardens, and the charm of the Segura River that runs through the city.

Alicante and Murcia–Corvera International Airports connects Murcia with major European cities, serving hundreds of thousands of passengers every year. Operated by several airlines, it offers direct flights to destinations across Spain and Europe.

If you prefer to arrive by train, the Murcia del Carmen station welcomes you right in the heart of the city.
